Those competitors who complete the required number of laps (3) in the practice and meet all the conditions set by the organiser will qualify for the race.

The start of the regularity race will be mass start in all classes, with the engine running on the starter's signal.

An early start will be penalized with 60 penalty points.

In case of bad weather the start will be individual due to safety of the riders. After completing the first lap the timekeepers will record subsequent laps. The measured times are compared with the base time of the second lap. The lap comparison is specified before the race and they are known only to the sporting steward and the timekeeper. Time differences from the base lap are scored to tenths of a second. The final scores are added to the points, the ranking is determined by the sum of the penalty points. In the event of a tie in points, the time difference of 0.001 seconds shall be used. All competitors who cross the finish line under the chequered flag are classified.

14. Class merging

In case of a low number of competitors the classes can be merged.
